

Dear SJRV Neighbors,

Hello from the Parks and Recreation Committee!

We are gathering ideas to present to the Metro Board members at their September board meeting so they may plan their budget for October meeting. If you have ideas for Parks and Recreation - this is the perfect time to submit them and make sure your voice is heard.

Your input is incredibly valuable and a big part of making SJRV a beautiful place for you and your family. Our parks and recreation build our community spirit and create memories for our children. Help us keep you in the loop and tap into our most precious natural resource: OUR RESIDENTS.

HOW IT WORKS:

1. Write down your ideas, wishlists, general thoughts.

Dream big or dream small. Don't worry about having polished concepts. Just think outloud if you like. Our committee will build a list of collected ideas to circulate, get feedback and the prioritize our next steps. This is your community and these are your common areas. If you need some guidance, please follow the form below, but we are most interested in your ideas.

2. Send it our way before 8/30/2014.

Of course we can continue to take thoughts and suggestions throughout the year. But this date is an effort to collect as much input as possible to make it time to plan for next year. We are available for questions questions before you send if you need help.

We are collecting ideas in these three ways:

- a. POST in your feedback this thread
- b. EMAIL your input / questions to any of our contact info below
- c. MAIL your thoughts, letters or the completed form to the our P.O. Box below
