August 28, 2020

Dear Property Owner:

The Metro District will be considering changes to their rates and fee schedule at their October 8, 2020 meeting. As the rates have not been reviewed since 2009, a rate study was commissioned by the District this year. The study was prepared by Plummer Engineering and can be viewed on our website: www.sanjuanrivervillage.com

The board will be discussing the recommendations outlined in the study for enactment in January, 2021. This meeting is open to the public and everyone is encouraged to attend. Please visit the website for information on virtual meeting attendance.

Thank you,
